

Ultima Primary School

Fortnightly Journal of Learning : Anywhere and Anytime.
September 19th 2014

Dear Parents, since the last publication of our school newsletter, staff and students have been busy in the classroom. Our school community has also been very busy taking care of our wonderful grounds and play areas. All of your support to our students and school is greatly appreciated. As this is the final newsletter for the term, the staff wish all of our school community a safe and happy holiday break.

School Council News: At the September School Council meeting the following policies were approved and ratified: Continuous Improvement Policy, Timetable Policy, Anti – discrimination Policy, Anti – harassment Policy and the Cyber Bullying Policy.

Athletics: A big congratulations to our students for their effort and participation in our recent Athletics carnival. Everyone worked hard and did their best with a positive attitude. Many thanks to our wonderful parents who were so supportive during the day. We came 4th in the ‘aggregate’.

SRI lunch: The students gave our amazing SRI teacher Michelle Oliver a lovely surprise lunch this Tuesday. The students all worked as a team to make her and the parents a delicious 2 course meal.

Ultima Spring Fair: Our students entered lots of art and 6 outstanding novelty decorated cakes. Many thanks to Mrs Melvie King (Caleb’s grandmother) for assisting with the decorating. Congratulations to Nick Webb (1st prize in cake decorating), Caleb Cullen (2nd prize in cake decorating, Charly Delmenico (1st prize in Art) and Patrick Galea/Charly Delmenico (2nd prize in Art).

Nullawil overnight stay: We joined with the Quambatook children to camp, eat, play and work together. The children all had a wonderful time. We were very proud of their team skills and enthusiasm.

Kerang Zone Athletics: A BIG congratulations to Charly Delmenico who advanced to the Zones in Kerang. She competed commendably in ‘Triple Jump’.

Swimming in Term 4: The students are booked in for a series of lessons at the Swan Hill Leisure Centre. The school holidays is a great time to check that the bathers and goggles still fit! Permission forms will be sent home early in term 4.

Jump Rope for Heart: This exciting event happened at the Nullawil overnight stay. The children reached their goal of skipping continuously for one hour. Congratulations to all of the children for their excellent participation and effort. This year the children raised \$226.55. Susan Harley
